PLASTIC SOLDIERS Producer by Andrea Pierini - ITALY  
SINCE 1999

Waterloo 1815 is an Italian manufacturer of plastic soldiers.

Waterloo 1815 was born in Livorno Italy in 1999 when Andrea Pierini, the owner, turned his passion for plastic models into his new job. At the start Waterloo 1815 printed some Atlantic items, later, in 2002, Andrea Pierini began production of his figurines, made with attention to the smallest details.

Currently, Waterloo 1815 is one of the most popular producers in Italy with a great series of plastic soldiers already in catalog. For the production, Waterloo 1815 make use of the best sculptors in the world, so to guarantee the highest qualitative standards.
